

GHAZNAVI'S SQUARES

MULTIPLICATION PLUS™ CIRCUS OF PATTERNS

Multiplication Plus™ has been carefully designed to be both instructive to the student and incentive to independent study. With two major applications--discovery of number patterns, and drill and practice in all four basic operations--

Multiplication Plus™ Circus of Patterns presents a great range and diversity of mathematical concepts, from simple addition to complex numerical relationships. This unique tool will introduce participants to the wondrous logical patterns found in number systems. It is designed to evoke in students of all ability levels the fun and challenge in discovering relationships between and among numbers. It provides an excellent opportunity for students to explore mathematical concepts by using an important problem-solving strategy--recognizing patterns.

**CHALLENGING AND FUN
FOR ALL GRADE LEVELS!**

YES! I'd like to try **Ghaznavi's Squares™** Please send me the following:

FULL CHARTS

Item No.	Description	No. of Squares	Size	Price	Qty	Item Total
1	Whole Number Chart (large)	12x12=144	48x32"	\$40	_____	_____
2	Decimal Chart	11x11=121	57x27"	\$40	_____	_____
3	Fraction Chart	11x11=121	57x27"	\$40	_____	_____
4	Whole Number Chart (medium)	12x12=144	16x24"	\$20	_____	_____
5	Sequence Chart—(Pascal and Fibonacci Sequences)	8x8=64	36x22"	\$25	_____	_____
6	Discovery Chart (Mathematical Activities)— "Symmetries, Sequences, Patterns"	17x17=289	52x33"	\$50	_____	_____

SMALL CHART PAIRS

7	Whole Number Charts (set of 2—six sample patterns in each)	5x5=25	8½x14"	\$20.00	_____	_____
8	Decimal Charts (set of 2—six sample patterns in each)	5x5=25	8½x14"	\$20.00	_____	_____
9	Fraction Charts (set of 2—six sample patterns in each)	5x5=25	8½x14"	\$20.00	_____	_____

CLASSROOM SETS

10	Whole Number Set—1 Whole Number Chart (Item #1) and 15 sets of Small Whole Number Charts (Item #7)			\$230	_____	_____
11	Decimal Set—1 Decimal Chart (Item No. 2) and 15 sets of Small Decimal Charts (Item #8)			\$230	_____	_____
12	Fraction Set—1 Fraction Chart (Item No. 3) and 15 sets of Small Fraction Charts (Item #9)			\$230	_____	_____

Subtotal _____

Name (contact person of school or organization) _____
